Sunday Club: tba, *Creche:* Sue and Nicki,

Prayer board and basket at St Paul's: Following our building work we are now all organized again so don't forget to add your prayers, and prayers answered, to the board. Also, the prayer basket is by the door for you to write a prayer and for any of us to pick it up and commit to pray for over the next week. Happy praying!

Harvest – 8th October:

We will be giving thanks and celebrating Harvest across all our services on 8th October.

This year, due to practicalities of getting fresh produce to Women's Aid, ECC suggest food offerings of dry and long-life goods only, to be shared between Foodbank and Big Breakfast (as usual) with a financial offering instead for Women's Aid. This is only 2 weeks' away and we look forward to celebrating God's provision this Harvest-time.

For your prayers:

- For +Mike and Anthea on his retirement, and giving thanks for his ministry
- Those affected by the Earthquake in Mexico, and the hurricanes in Caribbean & Bahamas
- The business and all those who work on Dorcan Industrial Estate.
- Chaplaincies and Christian Unions in further education, thinking particularly of Swindon College, New College and Dorcan Academy
- Those who are unwell in body, mind or spirit, and those who have lost loved ones.

Thankyou for your prayers for my weekend away at the start of my LLM formation year. It was a really positive start and a good opportunity to bond together as a group.

Special thanks to those who have asked and expressed their support since too. I really appreciate you and feel blessed to be part of the family at Dorcan.

Thank you, *Sue*

Stewardship tokens for offertory during services: Firstly, thank you for your continuing financial stewardship for God's mission and ministry in this place and community. Your support enables us to continue, and grow, in all that we currently do, and to start new things. We all give in a variety of ways whether into the plate, by envelope or electronically each month, and we give thanks for our offerings at each service.

Following feedback, for those who give electronically, there is now an opportunity to place a token in the offertory plate each week as a symbol of your giving if you would like to. From next week, in both centres as you come into the service there will be a small basket with two different tokens in it – one for the *Parish Giving Scheme* (the new direct debit scheme) and one for existing *Standing Orders*. If you would like to, please take one of the tokens and then place it in the offertory plate as it comes near you. We trust that this is a helpful way to mark our electronic giving for those who would like to. Thank you again for your continuing support and your commitment to our recent *Giving in Grace* stewardship programme.

A steering group has been put together with the aim of setting up a chaplaincy to the Swindon Law courts. The details are below and if you feel this is something you could help with, then please contact Martyn:

CHAPLAINCY TO THE SWINDON LAW COURTS

Do you have a couple of hours to spare on a Monday, Wednesday or Friday Morning ? Would you like to help provide free, independent and confidential support and help to all court users and court staff in the Swindon Magistrates' Court and Swindon Combined Court ?

We are in the process of setting up a Court Chaplaincy service and are looking for Volunteers to join us. Full training will be given.

We are also hoping to re-open the café in the Magistrates' Court serving tea, coffee, soft drinks, biscuits, cake and pastries (not hot food)

**Legal notice
relating to a “Pastoral Reorganisation” of Dorcan Parish:**

In both centres there is a notice on the boards entitled “*Mission and Pastoral Measure 2011 – Draft pastoral Scheme*”. These are required public notices in relation to two items. Firstly, it is proposed that there is a transfer of land to and from our neighbouring parish of Stratton St Margaret. These are changes to boundaries of the two parishes and relate to small pockets of land (some with a few houses on) which are helpful to transfer in the light of the new Oakley Park estate and the course of the River Cole.

Secondly, the proposal is to “*terminate the team ministry in the benefice of Dorcan*”. This has nothing to do with how we work in practice (e.g. the ministry team of clergy and lay), but is a legal position that goes back to the days where there was one priest dedicated to one church. For example, in our benefice with originally 3 centres at Covingham, Liden and Eldene (and another one pondered over in Nythe), these 4 areas would originally have been envisaged to have had a full time priest in each area. Legally to enable this within one benefice (Dorcan is one benefice) a legal “team ministry” was set up allowing a priest incumbent in each of the 4 areas, with one of those incumbents overall holding the office of benefice incumbent. This person would be known as a Team Rector, and the other clergy as Team Vicars. With changes to resources a priest for each of these 4 areas is no longer viable, a position reflected across the Church of England, and therefore many team ministries in the legal sense are being “tidied up” legally by being disbanded. This makes no difference to the resourcing at Dorcan benefice or how we currently work in practice.

ECC have already considered and voted unanimously on these matters, however the notices are required so that anyone in the parish may view and comment on the proposals. If you have questions and would like to see the proposals then please ask either of our Churchwardens or myself. With thanks.

The next Bishop of Bristol

Getting involved in the process of appointing the next bishop

You will be aware that +Mike is retiring at the end of September and we thank him for his ministry and pray for him and Anthea as he steps down. We are all invited to become involved in the process of appointing the next bishop and below is how we might take part. If you would like to discuss anything with a member of the vacancy committee, please contact Oliver Home (oliver.home@bristoldiocese.org) who will be able to put you in touch with the relevant person. The diocese wants this consultation to be had as widely as possible so please do get involved.

Pray:

- ◆ Give thanks for the ministry of Bishop Mike;
- ◆ Pray for Bishop Lee and the diocesan team during the period of vacancy
- ◆ Ask for wisdom and discernment for all those involved in the process
- ◆ Pray for the person who is chosen to take on the role.

Attend an open meeting: come and share your views in a meeting across the deaneries in September and October. Our nearest one is in Swindon on 5th October 7:30 at Toothill Church, West Swindon.

Submit your views online: This form will be available from the beginning of September, and can be completed by individuals and groups. It will focus on two areas for comment:

What difference do you want the next Bishop of Bristol to make?

What qualities would you like to see in the next Bishop of Bristol?
