Peter and Dorothy Fretwell

Following his long stay in hospital earlier this year, Peter is now confined to home. In order for Dorothy to be able to get out at times, she would be grateful for volunteer 'sitters' who could stay with Peter (carers deal with all his medical needs). If you are willing to be a 'sitter' please let Peter Causer know (618251).

Thanks, *Beth*

In Schools Work

Recently I appealed for volunteers to help in the work we do in Schools. To keep you informed, St. Paul's will be explaining what Christmas is all about to 100 children in 3 sessions at the beginning of December. A group of us are also going to Wanborough School to take a session there. Nythe and Covingham Schools also hold their Carol Services at St. Paul's. As a thank you to the teachers of all local schools for all their hard work, we make cakes for them during the last week of term (December 14th). If you enjoy cake making, please talk to me. (St. Paul's, St. Tim's or Eldene).
Thank you, *Margaret* (532849)

Climate Change rally - 5th December

Churches, congregations and Christian relief agencies are in the forefront of drawing attention to the need for action in response to Climate Change. SCAN are organising a coach to the rally, and assemblies for prayer and worship that will accompany it. Everyone is being encouraged to wear blue so that we create a 'river' of people winding around the streets of London. The rally is aimed at persuading the UK government and the world's leaders to act collectively and positively during and after the Copenhagen Summit. If you are interested in booking on the coach, please contact viv@swindonclimate.org.uk or 01793 871513 to register your interest.
