Welcome to the Dorcan Church.
If you are new, we would love to get to know you better.
Please speak to the Minister or to one of the Stewards.

Sunday 8th August will be 'WALK/BIKE TO CHURCH' Sunday.

At the APCM we were considering ways of reducing our carbon footprint as the Dorcan Church. One suggestion was that we designate a Sunday when as few cars as possible are used to travel to church, and alternative forms of transport are used instead. We recognise that this will be a realistic proposition for everyone, but perhaps car-sharing could be considered. As an extra incentive, we would invite donations to the work of Turning Point in lieu of cost of petrol for your usual journey to church.

Summer services at St. Paul's
 We want to find a pattern that will suit most of our worshippers. For the past few years during the summer months at St. Paul's we have held a single combined Sunday morning service. This year we will be holding the combined service at 10.00am but only during the school holidays. For June and most of July we will continue with the normal pattern of 8.45am and 10.30am services. Then on 25th July, we change to the single 10.00am service for six weeks. In September we return to the normal separate services.

Prayer Initiative
 For the next few weeks we will be praying for the residents of Tealsbrook, Dovetrees and Robinsgreen.. Please also remember them in your private prayers.
