Front Room Swindon

Front Room Swindon was set up in 2009 as somewhere for unemployed people to meet up and network whilst looking for work and to give them help with CV's and job searches. They are about to branch out into a new venture by offering to find volunteer placements in the community.

Do you have opportunities for volunteers to help with your activities or do you know anyone who needs help?

Are you long-term unemployed and need to find inspiration, come and offer your skills or learn new ones?
