## 50th Anniversary of St Paul's Church.

10th July marks the 50th Anniversary of the dedication of St Paul's Church (the building).

Following the Government regulations to continue with the present Covid restrictions, it is felt that it would not be appropriate at this time, to hold any sort of social event.

It will be celebrated in the Sunday Service, on 11th July.

## **Community Centre Development Manager (CCDM)**

Cheryl Pottinger, our part time (CCDM), has submitted her resignation, to pursue opportunities in the other work that she does. Cheryl's employment with us will cease on the 30<sup>th</sup> July.

We will shortly be looking for a replacement for that role, but in the meantime we need to evaluate, how this position has evolved during this period, and therefore how we may correctly offer the position to any new candidate.

In the interim period, the need for people from this church family occasionally to offer help with 'locking' and 'unlocking' the church building, or with doing a round of cleaning, will become more important. If you are willing to help with either of these, please contact Pete Mulcock ([pmulcock1@gmail.com](mailto:pmulcock1@gmail.com)) who will add your name to a list of volunteers for these tasks. We need to thank Cheryl, for her hard work, and cooperation in very difficult circumstances over the last 18 months, and we wish her well, in all that she does in the future.

Please prayerfully consider how you may help, and please pray for the ECC and its committees as we try to address this situation.

## Living in Love and Faith.

I have been asked, what it is all about so let's look at the expected 'learning outcomes' of these resources.

(Quoted from) <https://www.churchofengland.org/resources/living-love-and-faith>

As a result of engaging with the Living in Love & Faith resources, it is hoped that people and church communities will:

- be inspired by scripture's glorious and joyful vision of God's intention for human life.
- have discovered how to engage with rich biblical, theological, historical and scientific thinking about human identity, sexuality and marriage in a way that deepens their desire to know God and follow Christ.
- have a deeper understanding of the Church's inherited teaching on Christian living in love and faith, especially with regard to marriage and singleness, and of emergent views and the Christian reasoning behind them.
- have heard the voices and encountered the experiences of people who would otherwise have been invisible to them.
- have learned different ways of reading scripture together well, allowing it to exert its transforming and revelatory power.
- find help for everyday Christian discipleship in all its diversity, physicality, messiness and grittiness.
- be alert to the interaction between the life of the church and its cultural contexts and equipped to engage in the public square about what it means to be human and sexual.

Living in Love and Faith is an invitation to all of us to engage with scripture and discern a way forward. The hope is for people in Church of England churches across the country to use the LLF resources to study and pray together. The resources are designed to encourage and enable engagement and learning in a variety of settings. This church-wide learning together, listening to one another, and listening to God is part of discerning a way forward for the Church of England in relation to matters of identity, sexuality, relationships and marriage. The purpose of the resources is to enable the Church of England churches across the country to participate in a

process of learning and praying together as part of discerning a way forward in relation to matters of identity, sexuality, relationships and marriage.

Please pray about this and be ready to engage with it as we gather in groups across the deanery to discuss these issues (hopefully in September). It has been suggested that the minister(s) and leaders of a parish do not lead groups from their own congregations to avoid any conflicts and maintain confidentiality and so it is hoped to publish a list of groups in different places that you can join with. Of course you don't have to wait until September, please use the published 'link' above and start using (reading or listening) to the resources available on the Church of England website.
