

Derek and Jenny thank you all very much for the farewell you gave us and for the very generous gifts - of money, a drill and a beautifully inscribed lump hammer! The later addition was a beautifully adorned steel mop bucket! I can assure you it will be most useful having spent much of last week at our 'new' house bemoaning the fact that our plastic version was 'just not up to the job'. Thank you too for the flowers which have given much joy and the anticipation of a climbing rose later in the year.

Thank you too for the past 8 years - Dorcan has been a great place to be and you have all been very supportive and enthusiastic, never fearing to try new things - you have been encouraging and an anchor for me when times elsewhere in the Circuit have been tough - thank you - we will miss you but look forward to seeing those who can come to Cornwall and we will have the kettle on in readiness.

Sincerely, *Derek*

PAKISTAN FLOOD APPEAL

A basket is available in all 3 centres this week and in St. Paul's on 22nd August if anyone would like to give to the Pakistan flood appeal. If you would like to gift aid your money, envelopes will be available at St. Paul's for you to complete; you must be a U.K. Tax payer. These envelopes will be sent to the appeal so they can claim the tax back.

Many thanks. *Barbara*

THANK YOU to everyone who gave money to the Turning Point Trust during Jon & Jo's visit - we were able to pass them a cheque for £356.00 which was the total of the cash collection following the service. They were also handed the cheques that were in the basket. This week we have sent a further £21.56 to TP. This is the money received at St. Paul's from the "Walk to Church Sunday" donations.

NEXT 2 WEEKS - Mid-week Communion services continue, but many of the other regular weekly activities have stopped for the summer. Please check with the small group leaders.

St. Paul's Key Audit

As the centre has become very busy I feel the need to establish who has what keys to the centre. I have the church council's backing on this. Could I please ask that if you have any keys relating to the centre you would speak to me, phone me (336290) or even write a note telling me which keys you have, who you are and leave contact details. This will be a great help to me and the continued smooth running of your centre. I am hoping to establish a comprehensive key register to ensure the continued security of the centre. Thank you. *Clare Rose* (Church Warden)

Prayer Initiative

For the next few weeks we will be praying for the residents of Terncliffe, The Harriers, Fieldfare and Hanover Court. Please also remember them in your private prayers.

The Cell group which meets on a Thursday at Neil and Nathalie Marshall's house will be breaking now for the summer, but will restart on Sept 2nd with a party. Anyone who wants to discover more about a cell group, or just wants to come along, is more than welcome! Please contact Nathalie or Neil for more info.
