Update on Covid Measures – and thank you!

First of all, thank you for your understanding and support in moving on-line for Sunday 2nd. January. Whilst additional Covid measure never materialised in England, unlike the other three nations, your leadership was appreciative of planning this space so they could have paused reacting to any changes until the New year.

The good news is that we are resuming worship in person from Sunday – 9th January – with our existing Covid measures remaining in place, details reproduced below. A reminder that as the doors will be open to the outside it will be colder inside over the next few weeks when we gather so please do bring your winter woollies and your favourite blanket if you get cold knees! We would also ask that, where possible, you undertake a lateral flow test before attending worship as an additional step.

Thank you for your support in enabling us to worship together safely and if you have any questions or concerns please do speak to a member of the Standing Committee. Thank you.

Practicalities when gathering

The wearing of masks is a legal requirement unless exempt as per government guidelines. Please do therefore wear masks, including when singing;

Doors to the outside will be open in both centers for ventilation as good air flow is a significant mitigator in the transmission of covid. We do realize that this means that heated warm air will flow out of our buildings and it may be a little more breezy, therefore you may wish to bring an extra jumper and maybe a blanket for your knees!

At St Paul's the screens will be opened once more and rows of chairs spaced out into the hall. The printed x and Ö signs will be available for you to place next to you to indicate whether you are happy or not for people to sit next to

Update on Covid Measures cont...

At St Tim's, some chairs will be removed to aid distancing, with a maximum of 40 people in the chapel;

In both centres signing in and/or QR codes will continue to be used

If there is the capacity and energy amongst those willing to serve tea and coffee, then refreshments may be offered after services. However, we all need to be mindful of proximity to others as we talk, particularly as we need to take masks off to drink and eat.

Our employees – Jenny and Maggie

Maggie, our Church administrator, will continue to be in the office for her usual hours. Jenny, our centre manager, will be working elsewhere for some of the week and there will no longer be any overlap where they are both in the office. If you come into the centre to see them, we ask that you wear a mask, knock on the office door and wait to be either invited in, or asked by them to meet in a more open space.

ECO Tip 4

We're very aware of the animal industries effect on carbon emissions, and let's face it we know it's healthier to eat less meat and dairy. Increasing veg content and reducing animal content is an easy way to reduce these emissions, and also costs. Would you consider a meat free day once a week?

An Inspirational Woman

Janet Martin, a long time member of the Dorcan church has written a book An Inspirational woman—is being published soon with Olympia publishers London. It is a true life story and challenges of living with Multiple Sclerosis (MS).

Janet would like her details be given out to church members. Anyone who would like to call or drop her a line can do so

Thank You

A huge THANK YOU to the army of helpers who helped with lighting and candles and laptops and everything else over the Christmas period. Your generous help and giving of your time was hugely appreciated and kept me (semi) sane!

Church Links

One of the important pastoral roles in the Church is that of Church Links, who often act as a first point of contact for members of the congregation. In brief, each Church Link has a list of people, and their role is to keep in touch with those on their list, often informally at Church, but also to make contact by phone or email if they do not see them for a while, passing on any concerns as appropriate. We are extremely grateful to those who undertake this role so faithfully, but need some others to assist in this vital work. If you feel that God may be calling you to this, or would like to know more, please get in touch with either me or Barbara Wilcox, and we would be pleased to have a chat with you about it.

Last November the COP 26 Climate Conference brought home to all of us the urgency of the crisis Climate Change is causing. It showed us how we all

need to help to prevent climate change and the damage to our world through pollution.

The Dorcan Church needs to act as well. We need to make our church buildings and land more environmentally friendly. We as a community should consider what more we can do together and individually.

In order to help us we have joined a scheme called Eco Church. This scheme allows us to identify what we are already doing, what else we can do and provides resources to do more.

We will as a church be launching the scheme on Sunday 23rd January 2022.

There will be more information in the notices, church website and Facebook. You can also find out more on the Eco Church Website or speak to Neil Marshall who is coordinating Eco Church.

Safeguarding and DBS Update

Just to make you aware the rules have changed and from now DBS's have to be renewed every 3 years (and not 5).

This means I will be in touch with many of you over the next few weeks to renew.

If circumstances have changed and you no longer volunteer please let me know when you receive the email.

Thank you
Sue

Prayer Board

As you may know, there is a Prayer Board at St Paul's (on the wall to the left as you enter the Worship Area), and you are invited to put requests for prayer on it.

Please ensure that you have the appropriate permission before putting up any requests, in particular if you mention anyone's name. Please also include your name and the date you put up the request.

Prayers will be left for two weeks before being removed in order to keep the board up to date, if prayer is still needed please use another piece of paper and repeat the request.

General prayers will be offered in worship for the specific prayers on the board, but names will not be mentioned at the moment as the worship is live streamed and then available on the web.

And don't forget, there is also a board for answers to prayer, please use this too.

Stephen
