Community Centre Development Manager (CCDM)

Cheryl Pottinger, our part time (CCDM), has submitted her resignation, to pursue opportunities in the other work that she does. Cheryl's employment with us will cease on the 30th July.

We will shortly be looking for a replacement for that role, but in the meantime we need to evaluate, how this position has evolved during this period, and therefore how we may correctly offer the position to any new candidate.

In the interim period, the need for people from this church family occasionally to offer help with 'locking' and 'unlocking' the church building, or with doing a round of cleaning, will become more important. If you are willing to help with either of these, please contact Pete Mulcock (pmulcock1@gmail.com) who will add your name to a list of volunteers for these tasks. We need to thank Cheryl, for her hard work, and cooperation in very difficult circumstances over the last 18 months, and we wish her well, in all that she does in the future.

Please prayerfully consider how you may help, and please pray for the ECC and its committees as we try to address this situation.

Revd Stuart Fisher

MESSY CHURCH is back!!!

A one-off Messy picnic is being held on Sunday 4th July. Time is to be confirmed as it will be dependent on numbers but will be in the afternoon. If you have helped in the past and would like to be involved, could you please contact Deb?

Also, Youth Club and Blaze are returning this week and for one week in July which is very exciting. Could you please pray for our youngsters and for safety, it has been so long?

Debbie

50th Anniversary of St Paul's Church.

10th July marks the 50th Anniversary of the dedication of St Paul's Church (the building).

Following the Government announcement on Monday, to continue with the present Covid restrictions, it is felt that it would not be appropriate at this time, to hold any sort of social event.

It will be celebrated in the Sunday Service, on 11th July.

All items for inclusion in the next notices should be sent to
